Asbestos Renovation & Demolition Notification Workflow

Follow the arrows from START. Blue diamonds are decisions, purple boxes are renovation submittals, red is demolition, green is completion.

Step-by-Step Guide

#	Step	What to do
1	Check building & units	Single building with 4 or fewer residential units? **Yes** → Step 2. **No** → Step 3.
2	Check Use Code	Look up the Broward County Property Appraiser Use Code. **01** → issue Certificate of Submittal (done). **Not 01** → Step 4.
3	Multiple small buildings?	Renovating/demolishing more than one ≤4-unit residential building on the same site? **Yes** → Step 4. **No** → process does not apply; follow other requirements.
4	Project type	**Renovation** → Step 5. **Demolition** → Step 9.
5	Measure disturbed area	≥160 sq ft walls/floors/ceilings OR ≥5,580 sq ft built-up roofing → Step 6. Less than both → Step 7.
6	Large renovation	Submit asbestos survey certified by a Florida Licensed Asbestos Consultant + scope of work/demo plans → Step 8.
7	Small renovation	Submit scope of work/demo plans proving the area is under the limits → Fee Table.
8	Review survey	≥160 sq ft of material with ≥1% asbestos? **No** → Fee Table. **Yes** → submit DEP Renovation Notice (Business Portal or PDF form) before starting, with scope, ownership, contractors, waste transporter, deposit site, start/finish dates and other required info → Fee Table.
9	Demolition	Before starting, submit a new asbestos survey (within 2 years) + DEP Notice of Demolition (Business Portal or PDF form) → Fee Table.
